

CatchID

More control,
less effort

CatchID

Every fish counts!

New requirements
and expectations
to document
the sustainability,
legality and ethics
of fisheries

KEY FOOD
INDUSTRY
SHOW US YOUR
NUMBERS.

CatchID
Every fish counts!

Unwilling or
unable?

CatchID

Every fish counts!

Unable!

Technologies
as the enabler

CatchID
Every fish counts!

Compliance by Design

Compliance by design architectures represent an end-to-end approach in which information is collected from the source system and distributed.

CatchID

Every fish counts!

CatchID Program

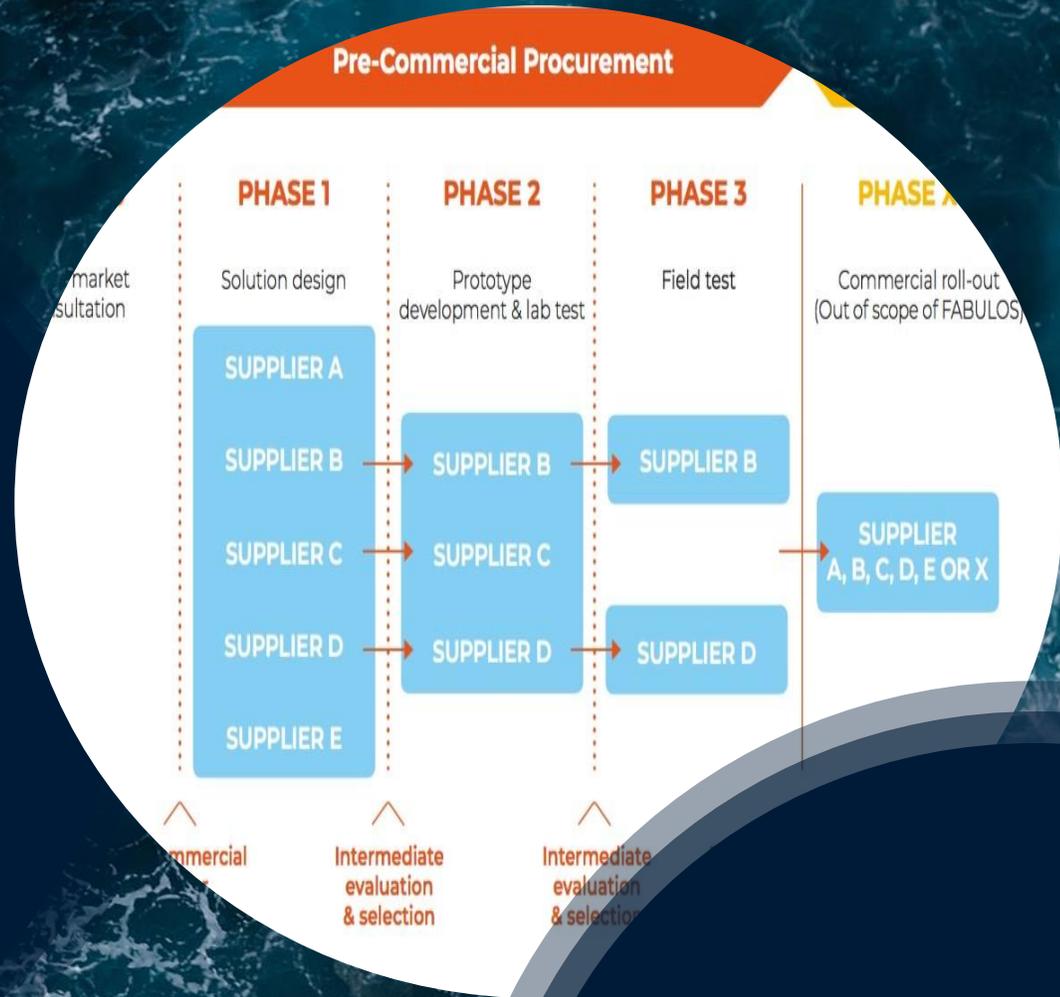

*By the Directorate of
Fisheries in Norway*

CatchID

Every fish counts!

Pre-Commercial Procurement

CatchID
Every fish counts!

Individual
tagging of red
king crab

CatchID
Every fish counts!

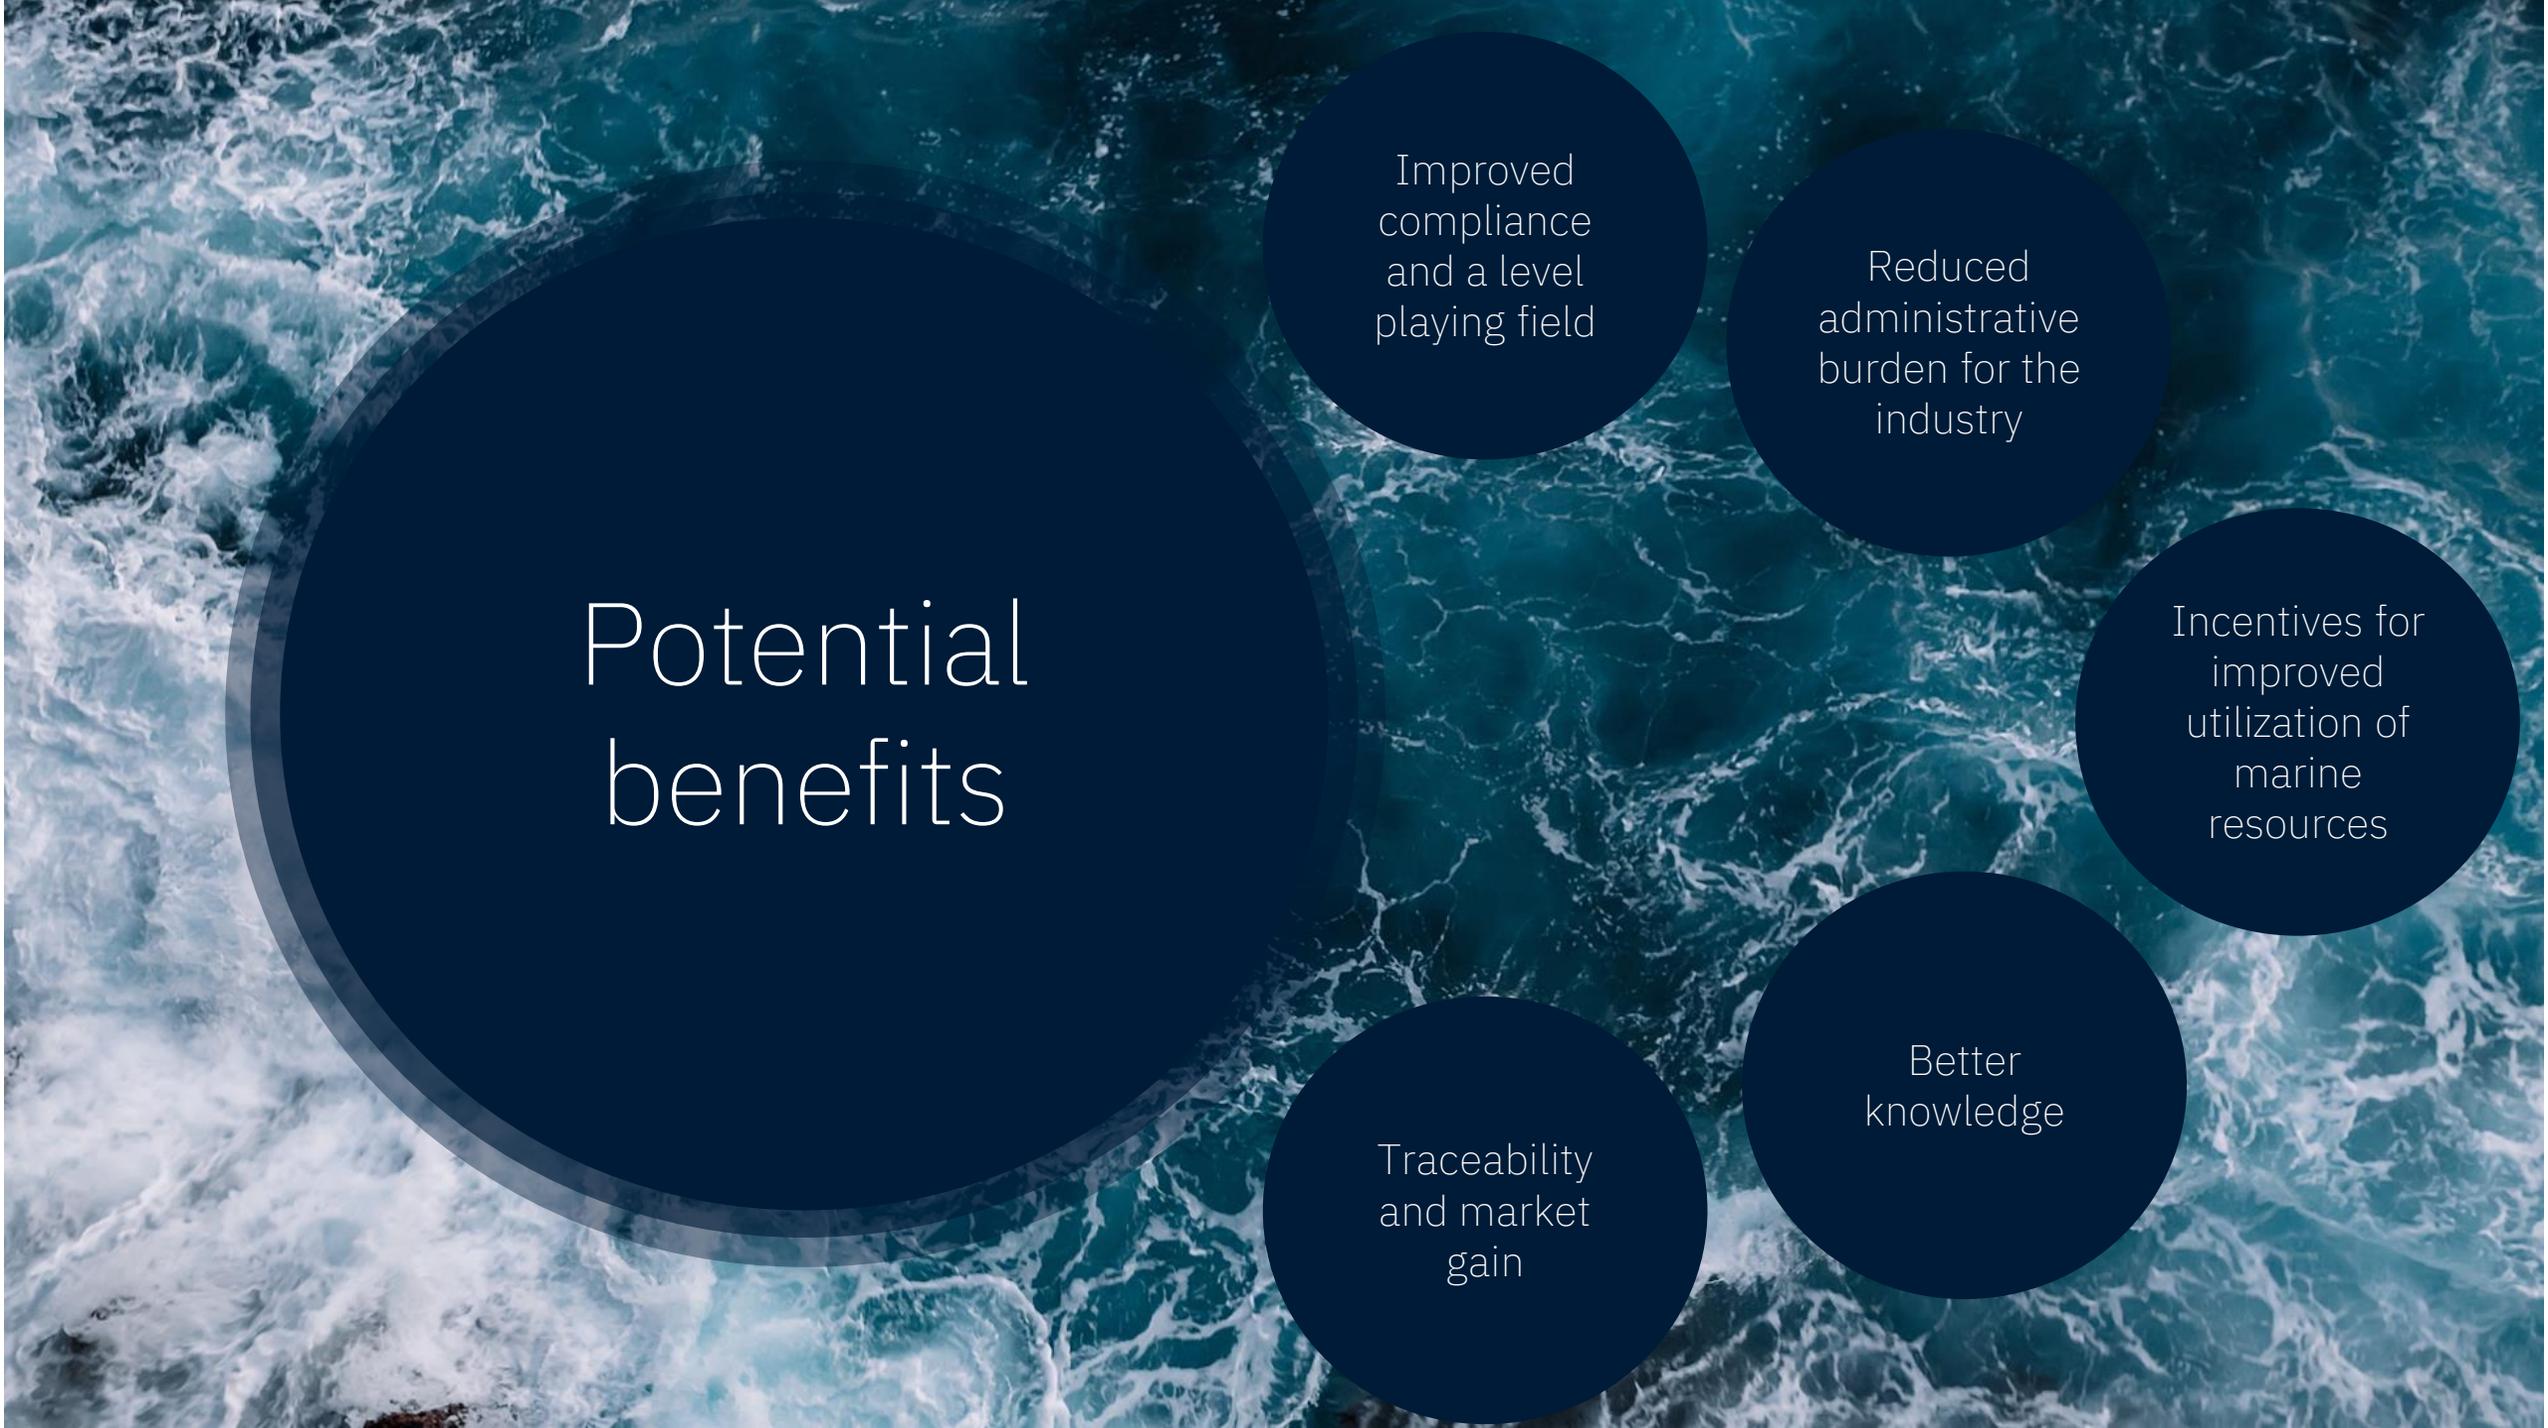

What if?

...we have technological solutions that can verify the catch at the time the fish is harvested, or at the latest when the catch is taken on board?

CatchID

Every fish counts!

Potential benefits

Improved compliance and a level playing field

Reduced administrative burden for the industry

Incentives for improved utilization of marine resources

Better knowledge

Traceability and market gain

Welcome!

2nd International Symposium on Catch Identification Technologies!

Tromsø, Norway
19-20 March 2024

DAY 1		PROGRAM		1ST INTERNATIONAL SYMPOSIUM on Catch Identification Technologies	
08:30-09:00	Registration and coffee	11:00-11:15	To be announced	12:15-12:40	Title to be announced
09:00-09:30	Welcome and brief introduction	09:15-09:30	Real-time automatic total catch monitoring	13:30-13:30	Lunch
09:30-09:35	Opening speech	11:15-11:30	Jean-Claude Ouellet, Department of Fisheries and Aquatic Sciences, Natural Resources Canada	13:30-13:45	Fully documented Fisheries
09:35-09:30	From Fish-Jenny to the Fish-Net, Director of Fisheries Key note speaker	11:30-11:45	To be announced	13:45-14:00	Deep learning catch monitoring, fishing
09:30-10:30	Key note speaker	11:45-12:15	Smarterfish & Everyfish, two EU funded projects	14:00-14:00	Poster session
09:30-10:30	Key note speaker	12:15-12:30	Poster titles 2017-2020, Norway	14:00-15:00	To be announced
09:30-10:30	Key note speaker			15:00-16:00	Poster session
10:30-11:00	Pause			16:00-21:00	Middag

DAY 2		PROGRAM		1ST INTERNATIONAL SYMPOSIUM on Catch Identification Technologies	
08:55-09:30	Welcome	09:30-09:45	The Opportunity for a Common Language of Seafood Traceability	10:20-10:35	Title to be announced
09:30-09:35	Blockchain technology, improving decision making in seafood supply chains	09:45-10:00	To be announced	10:35-10:40	The Norwegian Seafood Council, Norway
09:35-09:30	Common Transparency Policy	10:00-10:20	Title to be announced	10:40-10:45	Pre-Dominant Smeatland, Kviteseid, Norway
09:35-09:30	Common Transparency Policy	10:20-10:30	Pause	10:50-11:05	To be announced
09:35-09:30	Common Transparency Policy	10:30-10:35	Pause	11:05-11:15	Title to be announced
09:35-09:30	Common Transparency Policy	10:35-10:40	The data-driven future of commercial fishing	11:15-11:30	Supplier industry session
09:35-09:30	Common Transparency Policy	10:40-10:45	Artificial Intelligence and Machine, Identity and Discard on EU vessels	11:30-11:45	Artificial Intelligence and Machine, Identity and Discard on EU vessels
09:35-09:30	Common Transparency Policy	10:45-10:50	All Herring, Trondheim, Norway	11:45-12:00	Leveraging Computer Vision to Automate Fisheries AI
09:35-09:30	Common Transparency Policy	10:50-10:55	Matthew P. Lippman, OnDeck, Canada	12:00-12:15	Title to be announced
09:35-09:30	Common Transparency Policy	10:55-11:00	Hage Hammarstad, General Deep, Norway	12:15-12:30	Title to be announced
09:35-09:30	Common Transparency Policy	11:00-11:15	Title to be announced	12:30-12:30	Lunch
09:35-09:30	Common Transparency Policy	11:15-11:30	Future perspectives session	13:30-13:45	Title to be announced
09:35-09:30	Common Transparency Policy	11:30-11:45	Title to be announced	13:45-14:00	Title to be announced
09:35-09:30	Common Transparency Policy	11:45-12:00	Title to be announced	14:00-14:15	Title to be announced
09:35-09:30	Common Transparency Policy	12:00-12:15	Title to be announced	14:15-14:30	Pause
09:35-09:30	Common Transparency Policy	12:15-12:30	Title to be announced	14:30-15:00	Panel game, Future Perspectives
