IUU Inspections

Federal Food Safety and Veterinary Office

## What's Switzerland got to do with it?

## Our challenge

How to conduct **effective IUU border controls** with **limited human resources** and **minimising the burden for the industry?**

Photo: EJF

## Risk-based approach informed by custom's data

## Risk-based approach: access to timely and accurate information is key

- Transparency: vessel identification, authorizations, VMS data etc.
- Intelligence about non-compliance

# Standardization and harmonization of IUU import control schemes
